

LAKEFRONT LIVING AT ITS FINEST!

Indian Lake is a private bass fishing community with dockable lakefront and lake access homesites. These nicely wooded, 1 to 3 acre lakefront properties are easy to build on and slope gently down to the water.

All of the waterfront parcels are dockable and offer a peaceful, park-like setting. The lake is well-stocked with bass and has been professionally designed to continually replenish itself with new fish.

If you thought relaxed waterfront living on a great fishing lake was out of reach, then it's time to discover beautiful, affordable Indian Lake.
